OOH LA LA!

Inspired by a 2011 horizontal of Guigal's famous La La's: La Landonne, La Mouline and La Turque, we present these twelve seductive French wines. They are subtle and nuanced, coming from France's top producers in both Bordeaux and Rhone. Vintages date back over thirty years but can still be cellared to enjoy later. The Wine Advocate in 2016 wrote of the 1986 Mouton-Rothschild, "I do think drinkers will have to wait until it reaches its true peak. Sometimes that's just the way it is."

**Great Schools Today.  
Great Schools Forever.**

**HELP THE ENDOWMENT REACH \$20 MILLION BY 2020.**

**THE BENEFITS OF AN ENDOWMENT**

Much of the success of our schools depends on the tremendous support from our community. Each year MBEF grants over \$6M for educational programs throughout our District, most of which comes from annual donations from parents. When we look to the future of our schools, increasing the MBEF Endowment has significant advantages.

- **The Endowment creates an ongoing source of income.** Because our endowment provides a reliable source of income in perpetuity, MBEF can count on annual distributions to support grants, regardless of fluctuations in the economy or shortfalls in Sacramento. By growing the Endowment to \$20M by 2020, it will disburse approximately \$1M to our schools every year.
- **The Endowment relieves fundraising pressure on our Annual Appeal.** Donations to the Annual Appeal have been the primary source of funding for providing enrichment programs in our schools. It is challenging to grow the Annual Appeal to meet increasing demand and costs. The Endowment provides additional support for MBEF's annual grants.
- **The Endowment upholds our donors' values and priorities.** Our Endowment provides assurance that programs that are important to our donors will continue for generations to come. As priorities change, so may the programs, but the funding will always be there.

**Please join us in this important endeavor and raise your paddle tonight!**

**Maybach, Abreu, Kapcsandy, Eisele, Realm and Screaming Eagle.** Every producer is a Napa legend, each achieving multiple 100-point scores from critics. Enjoy ten of the best wines ever to come out of California, including two perfect 100-point bottles.

MBEF supports our MAKERS, project-based learning, and technology integration with grants to empower students to see themselves as inventors, builders, creators, and problem solvers.

STEAM at the Wine Auction: Schrader Cellars, TUSK, Elio Grasso, Araujo Estate and Memento Mori. Included are four bottles of Schrader Cellars in their original wooden case. TUSK might be the hardest Napa wine to find anywhere. These are Araujo's last two vintages of Eisele Vineyard wine since the estate was sold last year. Speaking of Elio Grasso's 2008 Barolos, critic Antonio Galloni said, "Both Baroli are drop dead gorgeous". Memento Mori continues to break away from their peers with the 2012 and 2013 vintages. These wines rarely come together so don't miss this opportunity.

MBEF supports STEAM programs across the district to prepare students for a 21st century world with over \$1,000,000 in annual funding.
