MANHATTAN WINE AUCTION:  
CHAIRMENS' WELCOME

**WELCOME TO THE 20TH ANNUAL MANHATTAN WINE AUCTION!**

Tonight represents not only the best night of the year, but also an important fundraising and awareness event for our community. Your support sustains our seven schools at a level that the California budget cannot. Your involvement tonight benefits the educational programs and consistency that enrich our children's lives and helps make this great community what it is today.

Manhattan Beach's best evening of the year would not be possible without the restaurants and wineries showcasing their culinary offerings, as well as the auction donors, our corporate sponsors and the Wine Advisory Board. We also wish to thank the dozens of volunteers you see here tonight and the many more behind the scenes that have been working since January.

We wish to particularly thank our founding sponsor Chevron, as well as sponsors Wells Fargo Bank and Belkin. These institutions have been providing our community with needed support year in and year out.

# MANHATTAN BEACH EDUCATION FOUNDATION

Welcome to the 20th Annual Manhattan Wine Auction. Tonight you will help us celebrate the 30 years that MBEF has supported Manhattan Beach public schools. We thank you for participating and being part of that success. Next year, donations to MBEF totaling \$5.8 million will fund over 70 educators in grades K-12.

Thank you to our Founding Sponsor, Chevron, as well as Wells Fargo Bank, Belkin and the Pipkin Family and the Wine Advisory Board for their extraordinary contributions. Special recognition goes to Ken Bush, our Wine Auction Co-Chair, and Margo Thole, MBEF's Director of Business and Community Development, for their efforts in setting the stage for this 20th Wine Auction.

At last year's Wine Auction, with your generosity, the MBEF Endowment Fund topped \$10 million, raising over \$530,000 from the Endowment paddle raise. This spring, the Endowment is making its first disbursement of \$116,000 to MBEF for use in its annual grants.

Again, with your help, tonight the MBEF Endowment Fund will grow even larger and in turn, next year's Endowment disbursement to MBEF will be even larger, allowing MBEF to do more for our schools, our students, our community.

MBEF believes that great schools are the hallmark of a great community. Our mission is to not only create great schools for today's children, but to create a legacy for generations of Manhattan Beach children: Great schools forever. MBEF thanks all of its Endowment donors, but in particular, tonight we want to thank the original Plaza El Segundo partners (Continental Development, Mar Ventures, Inc., and Comstock-Crosser & Associates) for completing their \$1 million gift to the Endowment.

It takes over 300 volunteers to achieve our goals each year. We thank parents, businesses, community members, neighbors and friends for your commitment to education and the community.

Sincerely,

**NINA PATEL**, President, MBEF  
**SHERI LIETZOW**, President, MBEF Endowment Fund  
**FARNAZ GOLSHANI FLECHNER**, MBEF Executive Director

## All in Favor of Great Schools Forever, Raise Your Hands.

It's the Endowment Challenge. A chance to make a donation to the MBEF Endowment. A chance to more than double the amount of the Endowment's disbursement to MBEF. Which means MBEF will be able to do more for our schools, our students, our community. Forever.

### TAKE THE ENDOWMENT CHALLENGE.

# MANHATTAN WINE AUCTION: WINE ADVISORY BOARD

The Wine Advisory Board or “WAB” was founded in 1988 for its membership to share its interest in food and wine, while creating a community of donors for the Manhattan Wine Auction.

All of the wine auctioned tonight, over \$200,000 worth, comes from the cellars of WAB Members. Along with the Manhattan Beach Education Foundation and the many volunteers you see here tonight, the WAB is the driving force behind tonight’s festivities.

As you will see in the pages that follow, many generous donors have gifted their valued treasures for auction this evening. We hope you find the stunning array of wine and other auction items enticing.

Members of the Wine Advisory Board are familiar with the toast made at every WAB dinner that we offer to you:

We offer this toast to our friends and neighbors who are as passionate about food and wine as they are with about their community.

Thank you for your continued support and cheers to a great evening!

## URSULA HERMACINSKI – ONE OF THE WORLD’S PREMIER WINE AUCTIONEERS

From the 2005 *Vanity Fair* “Wine Snob Dictionary”:

*Hermacinski, Ursula. Adorable and charismatic (by wine-world standards) auctioneer, known as “the Goddess of the Gavel” since Food & Wine magazine nicknamed her thusly. Hermacinski first commanded snob attention at the 1992 Napa Valley Wine Auction, a wine-dork fest whose auctioneers had previously all been men, where she charmed the crowd with her flirty banter and efficient JUICE trafficking. Now co-presiding over the wine-auction department at Zachys, the high-end Westchester County, New York, wine retailer, Hermacinski is especially in demand on the charity circuit, where her presence alone draws crowds of moony, excitable Snob collectors.*

Since she stood at the rostrum as the Manhattan Wine Auction’s first auctioneer 20 years ago, Ursula has hammered her gavel for the best wine auction houses in the world: Christies and Zachys. In June of 2013, she worked the stage at the Napa Valley Wine Auction to hammer down the largest benefit wine auction total in history: \$16.9 million. She also worked as the Estate Manager at Screaming Eagle and has even written “the book” about wine auctions, “The Wine Lover’s Guide to Auctions: The Art & Science of Buying and Selling Wines”.

Her experience and vast wine knowledge are truly an asset to present the rare and unique collections we have for auction this evening. With accolades from Robert Mondavi — “truly an exceptional auctioneer” and Decanter Magazine — “Uber-Auctioneer”, we are so very fortunate to have her return for our 20th annual Manhattan Wine Auction.

## VIP MAGNIFICENCE

For those of you that participated in our new “VIP Tent”, we thank you for your support and sincerely hope you enjoyed the amazing wine you were fortunate to experience. With heartfelt thanks we also extend our gratitude to these incredible wineries for attending our event and sharing their wonderful elixirs. We wish every guest at the auction were able to join us, but these “cult” and waitlisted wines are so low in production and so high in demand it is not possible.

We are offering an opportunity this evening to own a collection of winemaker-signed magnums that were donated from every winery that poured for us in the tent. This assemblage would be impossible to obtain anywhere else but at our event.

Many of these wineries have also donated tasting tours and immediate waiting list access, which will be available for bid in the silent auction.

## ONE BARREL OF NAPA VALLEY RESERVE

The Napa Valley Reserve is a private club with a membership of approximately 500 couples who share a passion for wine and the way of life that surrounds it. Founded by H. William Harlan, The Reserve was designed to allow members, who come from more than 37 states and 11 countries, the opportunity to experience all the benefits of viticulture, winemaking and hospitality in the world's finest winemaking traditions.

Guided by the hands of legendary Harlan winemaker Bob Levy, this wine is a quintessential Napa Valley Meritage (Bordeaux-style Blend) with a thoroughbred lineage that will cellar for decades of enjoyment. You will be proud to own and share this wine with your friends.

Along with the world-class quality of this wine there is a truly unique opportunity that is offered to Napa Valley Reserve members, which will also be extended to the purchaser(s) of this lot. You will have an option to design a custom label and designation for your wine.\* Just imagine your child's artwork or your family's namesake in beautiful calligraphy on the label for display in your cellar!

This lot is for one barrel, delivered as 300 bottles (750ml) of The Napa Valley Reserve, labeled as pictured in the catalog bearing a custom neckband with your name. There are two options to choose from in regards to your choice of vintages. If you wish to begin the labeling process and take delivery of your wine this year, the 2006 bottling is immediately available. With eight years of aging already, it will be softer and approachable for drinking now. For those bidders with patience, the stellar 2012 vintage is in the barrel and available for a custom blending experience prior to bottling (please note: this must be done by June 27 at an extra cost to the winner).

If you are unable to participate in the blending experience, you may allow the Napa Valley Reserve winemaking team to blend a spectacular 2012 for you. Both of the 2012 vintage options will be available for delivery in Spring of 2016.

\*Custom labeling is an extra cost to the winner(s). Label design and application is between \$5,400-\$12,900 per design. Custom labeling may take up to 12 weeks. The Blending Experience is an additional \$150 per person and must take place before June 27, 2014 at mutually agreed upon time. Wine is for personal consumption or gifting only and is not licensed to be sold.

If you wish to taste this wine and see examples of private labeling, please visit the Wine Advisory Board table in the Southeast court.

## 2010 NAPA VALLEY CABERNET: AN EPIC VINTAGE

The growing season in the Napa Valley for the 2010 vintage was the longest and coldest that most winemakers had ever experienced in their careers. With extra time on the vines, the fruit from this crop resulted in an end-product loaded with character, personality and harmonious elegance. The superiority of the 2009 vis-à-vis the 2010 is increasingly clear, in that the 2010s have more finessed tannins for more longevity. Antonio Gallani said, "Do whatever you can to source the 2010s, as they are magnificent."

Collectors are hoarding their 2010s, and here is your chance to bid on a stunning collection of the most renowned wineries in Napa to keep all for yourself.

## VIVE LA FRANCE! — A COLLECTION OF BORDEAUX AND A WORLD-CLASS CHAMPAGNE

The French have spent centuries perfecting wine making, and their wine is considered by most oenophiles as superior to any other wine in the world. French wine is focused on terroir being the catalyst between the vine and mother nature to create the best wine expressed of the earth from which it was sown. Their philosophy is that wine should do more than taste good, it should exude a sense of place.

This compilation of Bordeaux, from 4 to 40 years old, offers an amazing opportunity to explore some of the premier Châteaux in all of France. Palmer, Mouton-Rothschild, Latour, Haut-Brion, Leoville Las Cases, and Montrose are considered amongst the best in the world. To exemplify this, there are three RP100 rated examples from Montrose, Haut-Brion and Cos D'Estournel. Also included is a rare and highly rated 1989 Krug Champagne (RP96) to celebrate something truly special with friends.

THE MYSTIQUE OF DOMAINE DE  
LA ROMANÉE-CONTI

"A Prince's wine, she is velvet, seduction and mystery. It is the most Proustian of all Grand Vins: under a secret perfume of almost fading rose petal of a 1956 Romanée-Conti, is it not the purity and intensity of recaptured time that invades us?"

Considered the absolute pinnacle of Burgundy, the DRC produces some of the world's most revered wines from its tiny vineyards in Vosne-Romanée. Two of the seven Grand Cru vineyards

— La Romanée-Conti and La Tâche — are unarguably the greatest vineyards in Burgundy. Richebourg, Romanée-St.-Vivant, Grands-Echézeaux, Echézeaux and Montrachet are also Grand Cru vineyards, yielding sublime wines that are the most highly-sought, seductive and rarest in the world.

A rare opportunity awaits you to acquire a 1996 Domaine de la Romanée-Conti Assortment Case with absolutely impeccable provenance. This wine was purchased by our donors on release, and has been stored at LA Fine Arts & Wine ever since.

This lot was professionally appraised at \$43,000 by Martin Weiner of Vintage Wine Appraisers, who has been in business for 45 years as a certified wine appraiser. Mr. Weiner described all twelve bottles in "Perfect Condition" with fill levels either "just under cap" or "above cap". The Manhattan Wine Auction received the box still sealed and banded as it was delivered from the Domaine.

## THE MACALLAN LOT: A SCOTCH LOVER'S DREAM

The Macallan is one of the most well-known whiskies in the world, and a very unique collection has found its place at the Manhattan Wine Auction. If you haven't yet been introduced to the nuances and flavors of Scotch Whisky, this is your opportunity to explore to your heart's content. After production in "curiously small" copper stills, The Macallan is aged in Spanish sherry seasoned oak casks to deliver flavors of chocolate orange, dried fruits and spices. Their "Fine Oak" whiskies are aged in American sherry oak casks, providing flavors of sweet citrus, light spice and vanilla.

This evening's opportunity encompasses seven bottlings of world-renowned whisky, spanning from 10-year to the coveted 30-year, so you may explore how whisky can evolve over time.

We also have arranged a professionally-led private tasting by a Macallan Brand Ambassador. You may coordinate this at your home or any other venue for up to 15 guests. To complete this collection, included are a Macallan Golf Bag, an Oddysey putter with Macallan Logo, four whisky tasting glasses, and tasting card kit.

As they say in Speyside, "Slainte Mharth!" (Good Health!)

- The Macallan 10-year Fine Oak
- The Macallan 12-year
- The Macallan 15-year Fine Oak
- The Macallan 17-year Fine Oak

VERTICAL TASTING PARTY

A vertical tasting is a fun way to learn a lot about a producer and particular wine, also to learn about different vintages. Each vintage has distinct characteristics that set it apart from others. While some wine critics will call one vintage the “vintage of a century” it doesn’t mean that others do not have their merits or that a particular producer didn’t make amazing wines in other years.

This lot features collections from six premiere cult wineries in Napa, including an 11-year vertical of Insignia, 6-years of Futo, 6-years of Spottswoode, 4-years of Araujo, 3-years of Ovid and 5-years of Shafer Hillside Select. The ratings on these wines are all scintillating, ranging in the high 90s, as well as a perfect 100-points for the 2010 Spottswoode.

# CALIFORNIA GRAND CRU CHARDONNAY — A COLLECTION OF AUBERT AND MARCASSIN

The Chardonnay grape originated thousands of years ago in the Burgundy wine region of Eastern France. The quality and complexity of the wines derived from this fruit are highly influenced by the winemaker's use of terroir and oak. One might think of these as "paintbrushes" for them to create master works of art on Mother Nature's canvas.

Helen Turley of Marcassin and Mark Aubert are two of the world's most accomplished makers of Chardonnay, and we are pleased to offer this stunning collection featuring 36 bottles of their art. Included are two bottles of Marcassin Vineyard 2008 rated a perfect 100 points by the esteemed Robert Parker, two bottles of 2007 rated a near-perfect 99, and more than a dozen others rated 95 points or higher.

# MEET MY LITTLE FRIENDS — A COLLECTION OF ITALIAN CLASSICS

We all know Italy is famous for many things...arguably the most notable of which is its wine. Italian wines are deemed by many a dichotomy between the earthiness of French Bordeaux and the Napa Valley "fruit bombs." With distinct varietals that aren't amiable to growing in other parts of the world, Italian wines are truly unique and representative of the different growing regions they come from. Nebbiolo wines from Barolo can take decades to mature, while the Tuscan blends are easily approachable now.

This lot offers a wide variety of Italian classics, including 5 stunning examples from Italy's most celebrated winery (Gaja), 6-year verticals of both Oreno and Tignanello, and Ornellaia.

## CIAO BELLA! — ITALIAN ADVENTURE TO ROME AND FLORENCE

Che Serà, Serà...a Trip to Bell' Italia.

Fly Delta Air Lines BusinessElite to Rome and spend two days exploring Italy's treasure, packed with masterpieces from more than two millennia of artistic achievement. Modern Rome has one foot in the past, and one in the present. Find a cafe at summer twilight and watch the shades of pink turn to gold and copper before night finally falls. That's when another Rome comes alive: restaurants and cafes grow more animated and after dinner you can have a gelato or stroll by the fountains or through Piazza Navona, and the night is yours.

Then it's off on the train to Florence, the capital of Tuscany, retaining a strong resemblance to the small late-medieval center that contributed so much to the cultural and political development of Europe. Witness timeless art treasures at Uffizi Gallery, Michelangelo's Statue of David and Botticelli's Birth of Venus. Included is a half-day wine tasting excursion in nearby Tuscany.

## SINE QUA NON — “WITHOUT WHICH NOTHING”

The Latin translation of *Sine Qua Non* effectively means “something essential.” Without winemaker Manfred Krankl’s obsessive detail in regards to every essential aspect of cultivation to production, this might be just another pedestrian central coast Rhone blend. Somehow, every wine this man produces is extraordinary. They are sublime, ethereal expressions of Syrah, Grenache and Roussane grapes that exemplify a unique relationship between man and mother nature.

This collection of Mr. Krankl’s artwork spans 10 years and includes examples of his Syrah, Grenache, Roussane, Late Harvest and Pinot Noir. If you haven’t had an opportunity to experience SQN, don’t pass this up.

## CALIFORNIA GRAND CRU PINOT NOIR — A COLLECTION OF MARCASSIN AND AUBERT

Year-in and year-out, Helen Turley from Marcassin and Mark Aubert produce some of the most profound Pinot Noir in the world. With incredibly low productions and waiting lists to get on their waiting lists, these treasures are more difficult to procure than most Napa Vally cult cabernets. With fruit from world-class vineyards such as Blue Slide, Ritchie, Three Sisters, and Reuling these wines are unctuous and built to age with the complexity that will stand tall next to the greatest wines from Burgundy.

This lot contains 24 bottles representing stellar vintages back to 2006. You may notice the absence of 2008; Helen Turley is so steadfast about the quality of the wines they release, she wouldn't offer a single bottle of 2008 Pinot Noir because local mountains fires tainted their grapes with a smoky flavor and she said "we promised that the Marcassin label would never go out the door of which we weren't proud."

YOU SAY SYRAH, I SAY SHIRAZ

The Syrah grape originated in the Rhone area of France, where the wine it produces is old-world style, with an expression of its terroir. When cultivated in other parts of the world it takes on a whole new personality, Australia being the prime example, where it is referred to as Shiraz. This wine from "down under" is often described as "peppery" and a "fruit bomb," but big scores come out of there year after year. The tannins extracted from either region lend this wine to exceptional cellaring.

Top producers of Syrah and Shiraz are represented in this lot from across the globe. Torbreck and Chris Ringland are two of Australia's premiere producers. Saxum and Kongsgaard are considered premiere cults of Central California. The northwest is represented by Cayuse, with huge scores every year. Finally we go across the pond to France, including renowned Rhone producers such as Vieux Telegraphe and Pegau.

CALIFORNIA VS. BURGUNDY —  
THE NEW WORLD WAR

Pinot Noir can be among the most amazing wines you'll ever taste. It inspires more rhapsodies—and disappointments—among wine lovers than any other grape. The major difference of opinion is the fruit-forward, jammy style of American "New World" wine versus the earthy, tannic profiles of Burgundian Pinot. New World Pinots are approachable early, will age for 10-15 years and are dark & extracted with residual sugar. On the contrary, Pinots from Burgundy require 10-15 years for the tannins to soften, and then flavors are expressed with more acidity and minerality.

Any "Burghound" or New World lover will be enchanted by the wines offered in this lot. Included are stunning examples of Burgundy, such as Claude Dugat, Domaine Dujac, Clos des Lambrays, and Lamarche Echezeux. New World lovers rejoice with classics such as Kistler Cuvee Catherine, Aubert, Peter Michael and Rivers Marie. Regardless of which camp you stand in, this is a collection any pinot lover would be proud to own.
