ABOUT THE MANHATTAN BEACH EDUCATION FOUNDATION & ENDOWMENT

All proceeds from the Manhattan Wine Auction provide critical funding to the Manhattan Beach Education Foundation (MBEF) and the MBEF Endowment.

MBEF is a community-driven fundraising organization, which supplements state funding for programs that inspire learning, enrich teaching, and promote innovation and academic excellence in the Manhattan Beach public schools. MBEF was founded in 1983 and is a recognized 501(c)(3) organization.

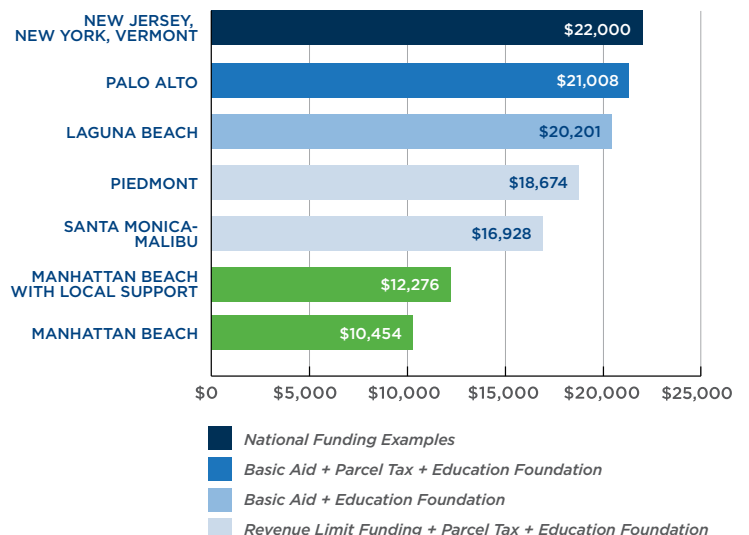

\$6.2 Million	MBEF funding to our schools in 2018/19
8%	Percentage of total District budget that is covered by MBEF
73%	Percentage of donations that comes from parents
75	MBEF pays for 75 educators in grades K-12
TOP 1%	Mira Costa High School is ranked in the top 1% of U.S. Public High Schools by Newsweek and US News and World Report
\$70 Million	MBEF's investment in our schools since 1983

Public School—Why Private Dollars?

The funding our District receives from the state is simply not enough. Throughout the country, counties are empowered to decide how much funding to invest in their local education systems. In California, per-pupil funding is determined at the state level, and despite high home values and property taxes in Manhattan Beach, state funding for our local schools is at the bottom of the state and the country. To learn more, visit the "What We Do: School Funding Challenges" page of the MBEF website (www.mbef.org).

PER PUPIL FUNDING - 2018/19

Community Investment

Because of the investment of our community, MBEF is able to increase per student spending by 8% Districtwide. In the 2018/19 school year, donations to MBEF paid for 75 educators, offering music, hands-on science, physical education, stronger math, reading, writing and technology instruction, librarians, and a variety of electives. MBEF support also drastically improves student-to-teacher and student-to-counselor ratios, providing our students with ongoing academic and social-emotional support.

The MBEF Endowment

MBEF is one of the few public-school education foundations with an endowment that provides a sustainable funding source

dedicated to enhancing the quality of our public schools for years to come. The MBEF Endowment protects our schools from the erratic fluctuations of state funding by creating a long-term, secure funding source.

Through ongoing contributions and prudent fiscal management, the MBEF Endowment principal has surpassed the \$18M mark, and this year disbursed \$760,000 to fund MBEF programs in our schools. When the Endowment reaches \$20M, it will disburse approximately \$1M to our schools every year. Donations to the Wine Auction support the MBEF Endowment and our efforts to build it to \$20 million by 2020.

Thank You

Our schools and students excel because we have an engaged community that is willing to invest time and money in our student’s education and future. Many of our District’s programs and positions would be eliminated if not for the generous support and investment from our community and business partners. Thank you for dreaming with us.
