

Manhattan Wine Auction

The Manhattan Wine Auction
— now in its 31st year — is one of
the most prestigious fundraising
events in Southern California.

The iconic artwork. The exclusive wines. The stellar
live auction. The vast offerings from wineries and local
restaurants. And the most noble cause of all —

EDUCATION.

\$1.2 MILLION

Endowment distribution to our schools in 2024

Great Schools Today. Great School Forever.

This is the vision of MBEF — to provide excellent educational opportunities for all students through our community schools. MBEF's Endowment is the cornerstone of this mission, supporting and sustaining quality public education here in Manhattan Beach now and for generations to come.

Great Schools Today

For the past four decades, MBEF has provided critical funding for Manhattan Beach public schools to ensure that every student has access to a strong, well-rounded academic program— with enrichment opportunities in STEAM, Visual & Performing Arts, Physical Education, and Reading, Writing & Libraries. Our students also benefit from access to more personalized learning in smaller classes and comprehensive support and counseling services.

Great Schools Forever

Early in its development, the MBEF Board of Directors established the MBEF Endowment Fund as a stable, secure and self-sustaining source of funding. Modeled after university endowments, the goal of MBEF's Endowment is to serve as a permanent fund to enhance and stabilize the long-term growth of MBEF's annual contribution to Manhattan Beach Unified School District. Initiated in 1986 with just \$10,000, the Endowment's balance now stands at \$28 Million and in 2024 disbursed \$1.2 Million to MBEF. This accounts for 16% of the \$7.4 Million grant MBEF awarded to Manhattan Beach Unified School District in 2024-2025.

Your Support

Proceeds from the Manhattan Wine Auction provide critical funding to the MBEF Endowment to ensure our schools are filled with enrichment opportunities today and well into the future. Since 1983, MBEF has directed over \$100 Million in enriched educational opportunities in our schools that would not be possible without the generosity, time and commitment of all community stakeholders.
