SATURDAY, MAY 31, 2025

BENEFITTING THE MANHATTAN BEACH EDUCATION FOUNDATION ENDOWMENT

# WELCOME

## WELCOME TO THE MANHATTAN WINE AUCTION!

We're often asked what makes our community—and our public schools—so exceptional. Is it the beach? The way we know our neighbors? The fact that our children walk to school and play sports coached by friends and parents? It's all of that—and more.

In a District that receives among the lowest state funding in California, Manhattan Beach has become a model of what public education can be. How? Because of our community. We show up. We give back. We volunteer in classrooms, serve on boards, fundraise, and advocate. We invest not only in our schools, but in our children's future.

The Manhattan Wine Auction has grown from a simple idea—bringing our community together to support our public schools—into the South Bay's most anticipated and prestigious event. What began as a gathering of a few, has blossomed into a beloved tradition, blending fine wine, incredible food, lively auctions, and, most importantly, a shared commitment to education.

Tonight marks our 31st year of celebrating that commitment. The funds we raise make a profound difference for the students of Manhattan Beach—funding innovative programs, hands-on learning experiences, and critical resources that enrich the academic journey of every child.

This event would not be possible without the unwavering dedication of so many. To our committee and volunteers who work tirelessly behind the scenes, our generous wineries and restaurants, our silent and live auction donors, and our sponsors, underwriters, and table hosts—thank you. We are also deeply grateful to the Bay Club and Manhattan Country Club for continuing to host this iconic event with such generosity and care.

Above all, we thank you—our parents, partners, and community members—for standing with us, year after year. Your participation, generosity, and spirit are what make this evening so special.

Here's to great wine, lasting friendships, and the bright futures we're building together.

## 2025 LEGACY AWARD

# MELANIE AND RICHARD LUNDQUIST

The Manhattan Beach Education Foundation (MBEF) Legacy Award celebrates individuals who demonstrate an unwavering commitment to leadership, philanthropy, and the MBEF mission of excellence in public education. First introduced in 2020, the Legacy Award honors those who have had an immeasurable impact on our public schools and our community. This year, we are honored to recognize Melanie and Richard Lundquist as the recipients of the 2025 MBEF Legacy Award.

Few individuals have had a greater or more lasting impact on MBEF than Melanie and Richard. Through their visionary leadership, extraordinary generosity, and steadfast support, they have transformed the landscape of public education—not only in Manhattan Beach but throughout the greater Los Angeles area.

Richard, as CEO of Continental Development Corporation, was instrumental in securing what remains the largest single donation in MBEF's history—a \$1 million gift made to the MBEF Endowment when Plaza El Segundo was built in 2012. This transformative contribution set a new standard for philanthropy in our community and provided critical support for the foundation's programs. Continental Development's commitment to MBEF has spanned more than 20 years, providing sustained funding and partnership that underscores the power of corporate civic responsibility.

Together, Melanie and Richard are signatories of the Giving Pledge and have appeared five times on the Philanthropy 50, the annual list of America's most generous philanthropists. Their dedication to "big bet," maximum-impact philanthropy has inspired national audiences and shaped discourse on transformational giving. Melanie has spoken on stages at the Aspen Ideas Festival, Milken Institute, Bloomberg events, and the Giving Pledge Annual Gathering—often sharing the couple's deeply held philosophy about using their resources to catalyze long-term change.

But it is their early and ongoing support of MBEF that we celebrate tonight. Their generosity has had a profound and enduring impact on our public schools, our students, and our entire community. In honoring Melanie and Richard Lundquist, we recognize not only their philanthropy, but their vision, their values, and their extraordinary legacy of leadership.

On behalf of our students, our schools, and the entire Manhattan Beach community, thank you!

## Great Schools Today.

The Manhattan Beach Education Foundation (MBEF) is a community driven fundraising organization, which supplements state funding for programs that inspire learning, enrich teaching and promote innovation and academic excellence in the public schools of Manhattan Beach.

For over four decades, MBEF has played a vital role in shaping the exceptional educational experiences in Manhattan Beach public schools. Founded in 1983, MBEF was created to address a funding shortfall and by giving families a way to invest directly in their local schools. Since then, MBEF has contributed more than \$100 million to build a strong foundation in language arts and math, hands-on opportunities in science, art, and music, personalized instruction, and meaningful ways for students to connect and collaborate.

### Enriching Education Beyond the Basics

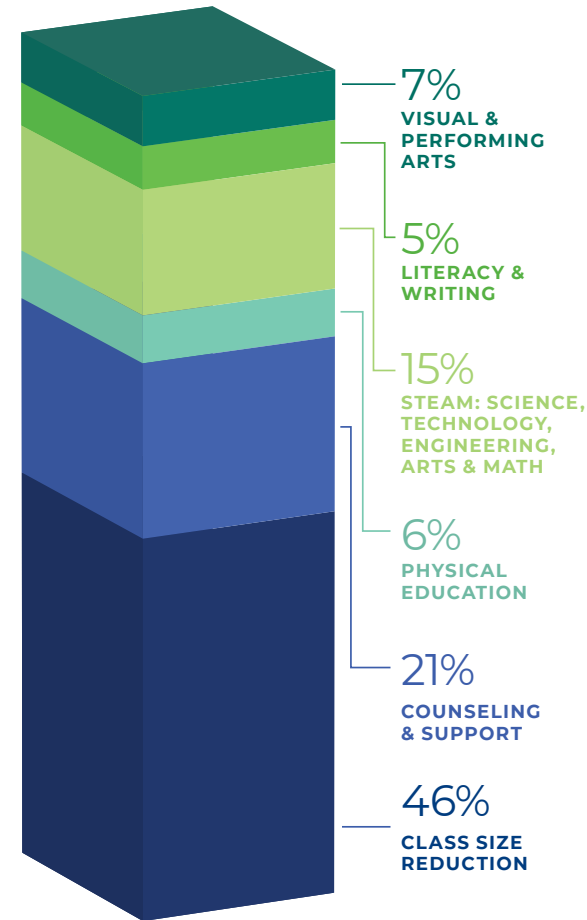

Without the generous support of our community through MBEF, Manhattan Beach public schools would look drastically different. Our state provides barely enough to fund the basics—not the enriched educational opportunities that define our District. Each year, MBEF’s fundraising contributes approximately 10% of the District’s annual budget, funding essential educator positions and enrichment programs from transitional kindergarten through 12th grade that align with the shared priorities of parents, teachers, and administrators.

### Every Child. Every Day.

The impact of MBEF is evident every day—in smaller class sizes, individualized support, enriched curriculum, and innovative learning environments that cultivate curiosity, creativity, and collaboration. These are the hallmarks of a 21st-century education, and thanks to the unwavering support of our community, MBEF remains steadfast in its mission to elevate public education in Manhattan Beach.

## Great Schools Tomorrow.

The MBEF Endowment provides MBEF with a continuing and sustainable funding source that will expand and enhance the quality of public education in Manhattan Beach, now and for generations to come.

In 1986, a group of visionary parents and community members established the MBEF Endowment with an initial investment of \$10,000. It took nearly three decades before the Endowment made its first disbursement of \$116K in 2014. Since 2021, the Endowment has disbursed over \$1M annually, regardless of fluctuations in the economy or changing priorities at the state level. Today, the MBEF Endowment has grown to over \$26 million and will contribute over \$1.2 million toward MBEF's overall grant to MBUSD.

### Gives Students a Great Education—Year after Year

Despite being compared to the highest-performing districts in California, Manhattan Beach Unified School District (MBUSD) receives significantly less in per-pupil state funding. The Endowment helps pay for core academics and enrichment opportunities such as small classes, libraries, music and counseling that would otherwise be eliminated.

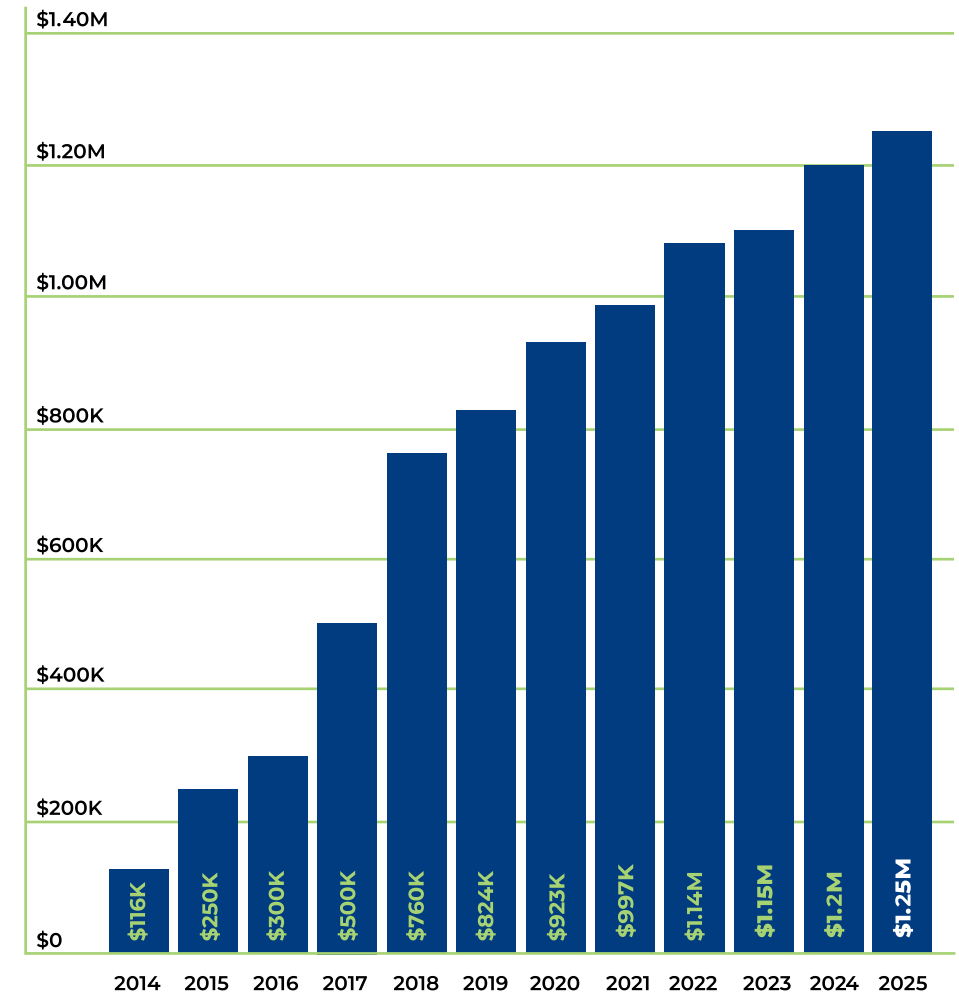

### Provides Financial Stability in an Uncertain Landscape

It's challenging enough to maintain excellent schools with limited funding, but when it also fluctuates, it's even more difficult. The Endowment provides a stable, secure and self-sustaining source of funding. Modeled after university endowments, the goal of MBEF's Endowment is to serve as a permanent fund to enhance and stabilize the long-term growth of MBEF's annual contribution to MBUSD.

### Strengthens Our Community

Strong public schools build strong communities. They enhance property values, foster civic pride, and unite families across generations. The Endowment protects the long-standing excellence of our schools and secures that legacy for future students and families.

COMMUNITY

# WINE DONORS

The Manhattan Wine Auction has developed into one of the most famous food and wine events in Southern California—and it's still dedicated solely to the public schools of Manhattan Beach. As the Auction has grown in reputation, so has the support from our community.

During the months leading up to the Manhattan Wine Auction, the Manhattan Wine Auction Committee holds a number of gatherings, open to the public, to share their passion for wine and commitment to strengthen our schools. Over 80% of the wines that are auctioned off as part of the silent and live auctions are donated by members of our community, and the rest come from the wineries who participate in the Wine Auction.

Thank you to these generous Community Wine Donors for their donations to the 31st Annual Manhattan Wine Auction.

**At the heart of an exceptional education lies the connection between disciplines, between students and teachers, and between schools and their communities.**

When learning is interconnected, students don't just memorize facts—they discover how ideas come together, how knowledge applies to the world around them, and how they can grow into thinkers, creators, and leaders.

In our Manhattan Beach schools, this approach shines. Our educators cultivate curiosity and confidence by encouraging students to make connections across subjects, collaborate with peers, and engage with real-world challenges. They personalize learning, integrate technology, and inspire exploration—laying the groundwork for a lifelong love of learning.

These opportunities are made possible through strong community support. With every donation to MBEF, we are building more support for our students on campus and in the classroom with more teachers to support students in their educational and emotional development. When we come together, we ensure that our children continue to thrive in classrooms led by passionate, innovative educators.
