CHEERS!

WELCOME TO THE 32ND MANHATTAN WINE AUCTION!

Tonight, we gather to celebrate our community's enduring commitment to public education. Our theme, *The Future in Bloom*, reflects the vision, generosity, and shared purpose that have long defined Manhattan Beach.

More than three decades ago, community leaders came together with a simple idea—bring people together and invest the proceeds to support our public schools. Today, the Manhattan Wine Auction has grown into one of Southern California's most anticipated and prestigious events—a testament to the passion, creativity and generosity that make Manhattan Beach extraordinary.

The Future in Bloom is especially meaningful as we reflect on the growth of the MBEF Endowment. Built through the foresight of early supporters who invested in future generations—the Endowment now provides a lasting source of funding for programs across our Manhattan Beach schools. Their vision is now our reality—enriched classrooms and expanded opportunities for today's students.

MIKE BRUNICK
PRESIDENT, MBEF BOARD OF DIRECTORS

ROGER SPENCER
PRESIDENT, MBEF ENDOWMENT

HILARY MAHAN
MBEF EXECUTIVE DIRECTOR

Since 1983, the Manhattan Beach Education Foundation has directed more than \$120 million to our public schools. Every dollar raised tonight continues that legacy—supporting science, arts, music, counseling, and the innovative programs that define an exceptional education.

This evening is made possible by many. We are deeply grateful to our committee, volunteers, wineries, restaurants, donors, sponsors, and underwriters whose generosity brings this event to life. Special thanks to the Bay Club and Manhattan Country Club for their longstanding partnership in hosting this tradition.

Most of all, thank you for being here. Your presence affirms a shared belief in our schools, our children, and our future. Like those who came before us, you are planting seeds that will continue to bloom for years to come.

We raise our glasses to you and to the future we are growing together.

2026 LEGACY AWARD RICH WEISS

The Manhattan Beach Education Foundation (MBEF) Legacy Award celebrates individuals who demonstrate an unwavering commitment to leadership, philanthropy, and the MBEF mission of excellence in public education. First introduced in 2020, the Legacy Award honors those who have had an immeasurable impact on our public schools and our community. This year, we are proud to honor Rich Weiss as the recipient of the 2026 MBEF Legacy Award.

A native New Yorker—whose borough he'll happily let you guess—Rich has called the South Bay home for 39 years, building a life here alongside his wife, Ginny, a Southern California native. Together they raised three daughters, Chloe, Caroline, and Carmen, all of whom came up through the Manhattan Beach Unified School District. Watching his girls thrive in MBUSD's classrooms didn't just make Rich a proud father—it made him a lifelong champion of public education.

Rich brings that same blend of precision and passion to his professional life. A 43-year veteran of the investment management industry, he currently serves as Chief Investment Officer of the Multi-Asset Strategies Division at American Century Investments, overseeing a team of professionals responsible for roughly \$40 billion in assets under management. The skills that make him exceptional in that role—disciplined thinking, long-term vision, and a talent for building high-performing teams—are the very same qualities he has poured into MBEF and the MBEF Endowment for the past two decades.

Rich has served on the boards of MBEF and the MBEF Endowment for 22 years, and his fingerprints are on some of the foundation's most important initiatives during that time. Chief among them: drafting the original investment policy statement for the Endowment, spearheading the \$20 Million by 2020 Endowment Campaign and creating a pathway for sustained Endowment growth by dedicating the proceeds of the Manhattan Wine Auction to the Endowment. As Chief Investment Officer of the MBEF Endowment, he has applied his professional expertise to stewarding the fund's investments, helping to ensure that the Endowment continues to grow as a lasting resource for Manhattan Beach students for generations to come.

PAST LEGACY AWARD RECIPIENTS

- 2025 Melanie and Richard Lundquist
- 2024 John Oshiro
- 2023 G. Bradford Jones and Joan Hood Jones
- 2022 Michael Greenberg
- 2021 The Pipkin Family
- 2020 Rod Spackman

But Rich's commitment has never been confined to the boardroom. Year after year, you'll find him out in the community—generously donating wine to the Manhattan Wine Auction and volunteering as a sign-hanging captain in the days leading up to the event. It is exactly the kind of roll-up-your-sleeves dedication that makes this community extraordinary, and Rich exemplifies it.

ON BEHALF OF OUR STUDENTS, OUR SCHOOLS, AND
THE ENTIRE MANHATTAN BEACH COMMUNITY—
THANK YOU, RICH!

Great Schools Today.

The Manhattan Beach Education Foundation (MBEF) is a community driven fundraising organization, which supplements state funding for programs that inspire learning, enrich teaching and promote innovation and academic excellence in the public schools of Manhattan Beach.

For over four decades, MBEF has played a vital role in shaping the exceptional educational experiences in Manhattan Beach public schools. Founded in 1983, MBEF was created to address a funding shortfall and to give families a way to invest directly in their local schools. Since then, MBEF has contributed more than \$120 million to build a strong foundation in language arts and math, hands-on opportunities in science, art, and music, personalized instruction, and meaningful ways for students to connect and collaborate.

Enriching Education Beyond the Basics

Without the generous support of our community through MBEF, Manhattan Beach public schools would look drastically different. Our state provides barely enough to fund the basics—not the enriched educational opportunities that define our District. Each year, MBEF’s fundraising contributes approximately 8% of the District’s annual budget, funding essential educator positions and enrichment programs from transitional kindergarten through 12th grade that align with the shared priorities of parents, teachers, and administrators.

Invested in Bright Futures

MBEF grants fund the people and programs that bring learning to life in our schools and reflect the evolving needs of our students and community. Each year, donations to MBEF provide students with countless sources of discovery and empower them for success tomorrow—in smaller class sizes, individualized support, enriched curriculum, and innovative learning environments that cultivate curiosity, creativity, and collaboration. Thanks to the unwavering support of our community, MBEF remains steadfast in its mission to elevate public education in Manhattan Beach.

Great Schools Tomorrow.

The MBEF Endowment provides MBEF with a continuing and sustainable funding source that will expand and enhance the quality of public education in Manhattan Beach, now and for generations to come.

Established in 1986 with an initial investment of \$10,000, the MBEF Endowment has grown to over \$31 million. Since 2021, it has disbursed over \$1M annually—regardless of economic fluctuations or changing state priorities—and now contributes over \$1.4 million toward MBEF’s grant to MBUSD, representing nearly 20% of our annual investment in schools.

Gives Students a Great Education—Year after Year

Despite being compared to the highest-performing districts in California, Manhattan Beach Unified School District (MBUSD) receives significantly less in per-pupil state funding. The disbursement from the Endowment helps fund core academics and enrichment opportunities such as smaller classes, libraries, music and counseling that would otherwise be eliminated.

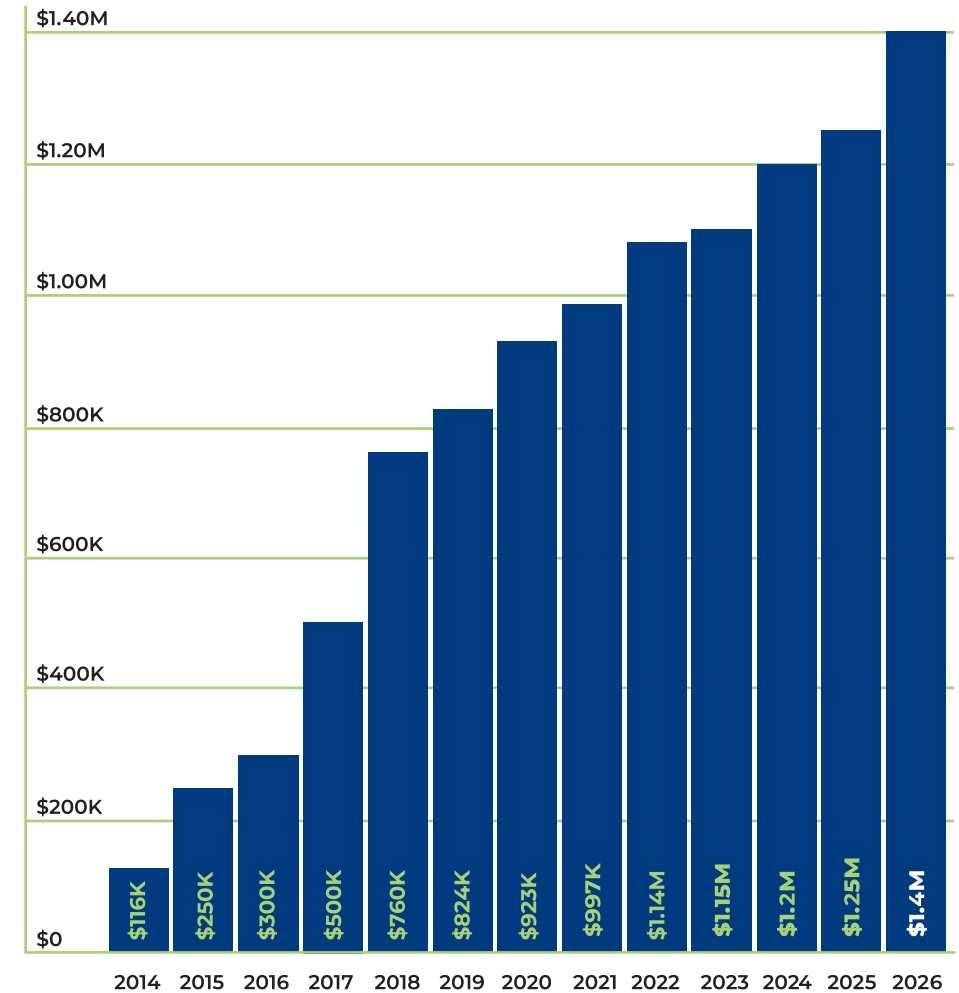

Provides Financial Stability in an Uncertain Landscape

It’s challenging enough to maintain excellent schools with limited funding, and even more challenging when that funding fluctuates. The Endowment provides a stable, secure and self-sustaining source of funding. Modeled after university endowments, the goal of MBEF’s Endowment is to serve as a permanent fund to enhance and stabilize the long-term growth of MBEF’s annual contribution to MBUSD.

Strengthens Our Community

Strong public schools build strong communities. They enhance property values, foster civic pride, and unite families across generations. The Endowment protects the long-standing excellence of our schools and secures that legacy for future students and families.

COMMUNITY WINE DONORS

The Manhattan Wine Auction has developed into one of the most famous food and wine events in Southern California—and it's still dedicated solely to the public schools of Manhattan Beach. As the Auction has grown in reputation, so has the support from our community.

During the months leading up to the Manhattan Wine Auction, the Manhattan Wine Auction Committee holds a number of gatherings, open to the public, to share their passion for wine and commitment to strengthen our schools. Over 80% of the wines that are auctioned off as part of the silent and live auctions are donated by members of our community, and the rest come from the wineries who participate in the Wine Auction.

Thank you to these generous Community Wine Donors for their donations to the 32nd Annual Manhattan Wine Auction.
